

BOX TOPS

FOR EDUCATION

Boxtops4education.com

This is an easy fundraiser that runs all year long. All you have to do is clip off Boxtop labels, from participating sponsors and send them in to school. If you would like a chance to participate in our monthly drawings at either school, write your name and room number on the back of the label. Anyone can register at the official website. You will receive newsletters, updates, money saving coupons and fun articles and activities. Also, registered members can visit their favorite websites, place on line orders and a certain percentage of the sale will be given to our schools. Participating sites include Oriental Trading, Land's End, Old Navy, Barnes & Noble, Gap, Pottery Barn Kids and many more. Our schools receive a check, twice a year. Last school year (07-08) \$1,734.00. Since 2002 \$12,956.
