

The PTO provides a monthly opportunity for students to purchase books that are of interest to them on the First Friday of every month. We purchase our books through The Scholastic Book Clubs and they are on display throughout the lunch periods at both schools. It is a great way for students to learn and implement money skills. Gift Certificates are available in any denomination. They make great teacher/student gifts. Also a great way to volunteer, it is a very small time commitment. Please let us know if you are interested.
