Last year was the first year we offered these personalized Hershey Chocolate Bars. There were a variety of winter holiday themes to choose from like, Hanukkah, Christmas, New Year's or a winter design. Then you could personalize as many or as little as you needed. From 1 bar, to use as a gift tag or 100 as a business thank you or a seasonal business card.

The PTO received great feedback from this fundraiser and all proceeds went to support Merrimac's Holiday Helper Program.
