

This is our BIG kick off fundraiser!

The majority of the money raised from this fundraiser goes directly to supporting the Cultural Arts Program, at both schools. The Merrimac PTO is proud to announce an exciting new company to provide our Fall fundraiser catalog. In our effort to provide our community with the best possible product and customer service, the membership looked at many companies, both new and old. By an overwhelming majority Innisbrook was chosen. www.innisbrook.com. If you have friends or family in neighboring school systems you may already be familiar with their products. Our new representative is Anne Sweeney from Danvers.

Happy Selling!
