

On the Third Wednesday of every month, the PTO runs a school store, at both schools, during lunch periods. There are a variety of items to be purchased.....fun pencils, cool erasers, funky pens, neat key chains, note pads, etc. The school store items are replenished with new merchandise on a regular basis. Gift Certificates are available in any denominations. They make great student gifts for birthdays, holidays or rewards. If you have a free 3 hours, once a month, this is a fun and fantastic volunteering opportunity.
