

## Teacher Appreciation

## Breakfast

Every May during Teacher Appreciation Week the Merrimac PTO organizes a breakfast, to say "thank you" for all their hard work. We feel it is important to recognize our entire staff for their dedication and commitment to our children and their learning environment. A few weeks prior to the event, a flyer is sent home with assorted breakfast items in need of donation. All sorts of breads, muffins, juices and sweets are offered and flowers, books and small gifts are donated, for us to raffle off to the staff. The PTO purchases all the other items necessary to complete the event. We have also, in the past years, purchased small tokens of appreciation, (water bottles, lunch bags, pins, pen and paper sets). We always need help in planning, decorating, organizing the food donations and cleaning up. If you would like to pitch in, please let us know.
