

Every spring we hold a *GIANT* yard sale to raise money for the PTO. So clean out your closets, attics and garages and bring it on down to the Sweetsir School. This is great for those of you who want to get rid of outgrown toys, clothes that may be too small, sports equipment or holiday decorations. Be on the lookout for the spring flyer for drop off times and a list of "do not take" items. All profits go to the PTO and all left over items are donated to several local charities.
