

Yearbooks

Every year PTO volunteers attend the many wonderful events scheduled at both schools to document the many happening. They also take lots of candid photos of the many students at both schools. We can not be everywhere, so teacher and parents are always encouraged to pass along any photos they have from field trips, class projects or events. These photos are then sent out to Hockmeyer Studios, in Amesbury, along with all the class photos, and laid out for approval and publication. The end result is a beautiful time capsule of your child's year in the Merrimac Schools. Please, remember to place your orders early and on time. The PTO does not order extra, all money and order transactions are handled through Hockmeyer Studios.
